

Apollo

8010 Apollo Home Entertainment Seating

Apollo is a futuristic look sure to attract the attention of family and friends! The curved shape with ribbed backs and contour seats will give the proper comfort for watching double features, hours playing video games or just visiting with friends. The -08P 2-arm and -11P/-12P 1-arm chairs have a USB/power strip located under the open arm rest for ease of plugging in computers, gaming equipment, and for charging phones, tablets or other items while watching a favorite movie or gaming. Blue lighted cup holders and base rail are standard equipment on the Apollo for an exciting experience in any home theater or family room!
