UFO Popcorn

Ingredients:

1 cup light
brown sugar, packed

2 tablespoons
light corn syrup

2 heaping cups mini
marshmallows or 12 large marshmallows

1 teaspoon
vanilla extract

6 drops each
green and yellow food coloring

½ cup
butter

8 cups
popped popcorn

Method:

1. Melt butter in a large, 3-quart saucepan with the brown sugar and corn syrup. Cook over medium heat while stirring until sugar is dissolved.

2. Remove pan from heat and add marshmallows and vanilla extract, stirring until smooth and sticky.

3. Add in the green and yellow food coloring to achieve your ideal alien color, then pour the marshmallow mixture over the popcorn. Stir until evenly coated, serve up to the extra-terrestrials and achieve peace in the galaxy!
