

# Nutella Glazed Popcorn

## Ingredients:

**¼ cup**  
Nutella

**¼ cup**  
butter

**¼ cup**  
corn syrup

**¼ teaspoon**  
salt

**6 cups**  
popped popcorn

## Method:

1. Combine the dry ingredients in a small bowl and set aside.
2. Pour the melted butter overtop the popcorn and toss to mix. Toss in the sugar-salt-spice mixture and mix again thoroughly, and taste for spiciness. If it doesn't have enough kick, you can always sprinkle in more wasabi or cayenne! Serve toasty warm and enjoy.
