

Sriracha and Cheddar Crunch Popcorn

Ingredients:

¼ cups
melted butter

3 tablespoons
Sriracha or hot sauce

½ cup finely shredded
cheddar cheese

3 tablespoon
nutritional yeast

½ teaspoon
salt

8 cups
popped popcorn

Method:

1. Combine the hot melted butter and Sriracha in a small bowl. Gently whisk in the nutritional yeast.
2. Immediately drizzle the butter mixture over the popcorn while still hot and add the salt.
3. Sprinkle the shredded cheddar over the popcorn while still warm and toss to incorporate all the ingredients. The latent heat from the butter and popcorn should melt the cheese, so serve warm!
