

# OCTANE

## SEATING

HIGH PERFORMANCE COMFORT

**BASS SHAKER SYSTEM**  
FEEL THE SOUND. EXPERIENCE THE ACTION.

# THE ULTIMATE TACTILE EXPERIENCE

Get ready to enjoy the most immersive home entertainment experience you can imagine, all in the comfort of your own home. You'll feel the thundering blasts, detonating explosions, high speed car chases, and whizzing bullets all while lounging in comfort. Our Bass Shaker System adds a thrilling fourth dimension that awakens your body, bringing your personal entertainment to the ultimate level.

## **LOW FREQUENCY TACTILE SOUND**

Low frequency bass provides the immersive tactile feeling through your body.

## **50 WATTS OF POWER**

Each bass shaker provides a full 50 watts of power with an impedance of 4 ohms.

## **SOLID ALUMINUM STEEL**

Quality solid steel construction designed to be almost indestructible.

## **SOLID 5 YEAR WARRANTY**

Unlike the competition, we stand behind our shaker with a 5 year warranty.

## **ACCURATE SYNCING**

Bass shakers move in perfect tandem to the on-screen action sounds.

## **MULTI PURPOSE USE**

Designed to enhance your movies, TV shows, music and video games.

## **SPRING LOADED TERMINALS**

Color coded and easily connects to the Octane bass shaker wiring harness.

## **METAL CONNECTOR PLATE**

We offer metal connector plates for easy seat installation to most Octane models (sold separately).

# AMPLIFIER FEATURES

Our amplifier provides the following key features and components.

## 200 WATTS OF POWER

Effortlessly powers up to 4 bass shakers at optimal peak performance.

## WIRED REMOTE CONTROL

The remote control allows you to adjust the tactile intensity to your desired level.

## DESIGNED FOR PERFORMANCE

Made specifically to power our bass shakers for the best personal tactile experience.

## WIRELESS CONNECTIVITY

A wireless transmitter sends the signal from your receiver to the amplifier.

## SLEEK MODERN DESIGN

Durable metal construction built to last for many years of care free use.

## RECEIVER COMPATIBILITY

Compatible with most major audio receivers that have a subwoofer output.

## EASY SETUP AND INSTALL

Designed for easy installation so you can be up and enjoying in no time at all.

## CROSSOVER VIBRATION CONTROL

Adjustable 50-200 Hz low pass crossover for seamless audio integration.

## CONNECTS UP TO 4 BASS SHAKERS

Each amplifier can power up to 4 bass shakers simultaneously.

## BASS SHAKER WIRING HARNESS

Includes a wiring harness enabling you to easily attach up to 4 bass shakers.

FEEL THE SOUND. EXPERIENCE THE ACTION.

## SIMPLE. POWERFUL. IMMERSIVE.

Designed for a quick and easy install. Here are the basics on how it works.

### Receiver Transmits Wireless Signal

Connect the wireless transmitter to your receiver, then pair it.

### Amplifier Receives Signal

The amplifier receives the wireless signal then sends it to the bass shakers.

### Bass Shakers - Activate!

The bass shakers will shake in sync with the action sounds of your movies, games, and more!
