HEAT & MASSAGE SYSTEM

Experience the wellness benefits of a massage chair paired with feature-rich conveniences to completely envelop you in wellness, comfort, and luxury. Octane Seating's innovative Air Cell Massage System combines deep tissue air cell massage with soothing heat therapy to provide a therapeutic and relaxing experience.

HELPS WITH BODY STIFFNESS

Air cell massage technology soothes the body and aids with overall body stiffness.

BETTER MOOD & ENERGY

Enjoy a reinvigorated positive mood and a boost in energy levels through massage.

ELIMINATES PRESSURE POINTS

Multiple air chambers inflate and deflate to displace pressure & relieve your pain points.

INCREASED FLEXIBILITY

Your muscles are slowly stretched allowing you to experience increased flexibility.

ASSISTS WITH RESTFUL SLEEP

Enjoy deeper and longer sleep when massage becomes part of your daily routine.

OVERALL PAIN RELIEF

Massage stimulates positive feelings and releases endorphins, aiding in pain relief.

REDUCED MUSCLE TENSION

Muscles are relaxed and massaged, reducing tension and body stress.

POSITIVE MENTAL CLARITY

Increased mental clarity & awareness is achieved through massage and relaxation.

IMPROVED CIRCULATION

Increased blood flow, improved circulation and overall positive health benefits.

REDUCES STRESS & ANXIETY

Feel your daily stresses and anxiety melt away when enjoying our massage.

DEEP HEAT THERAPY

Our soothing heat therapy offers the following key health benefits.

HEATING REGIONS

Targeted heat relief along your mid and lower back provides comfort and calmness.

REDUCES DAILY STRESS

Daily anxiety and stress are reduced with heat therapy, leaving you feeling invigorated.

INCREASED RELAXATION

Feel more relaxed and calm using heat therapy. Helps facilitate deeper sleep.

SOOTHING PAIN RELIEF

Increased overall body wellness and pain relief with a regular heat therapy regimen.

AIDS CIRCULATION

Heat therapy stimulates blood flow while improving your overall circulation.

ALLEVIATES MUSCLE TENSION

Better muscle performance, along with reduced and improved muscle tension.

TRIPLE MOTOR SYSTEM

All Heat & Massage models also provide a power headrest, power lumbar and power recline.

POWER LUMBAR SYSTEM

Our motorized lumbar system provides unparalleled comfort & support. Eliminates the need to twist and turn when sitting, and aids in proper spinal cord alignment.

POWER HEADREST SYSTEM

At the touch of a button the motor adjusts the angle of the headrest providing head and neck relief. Also achieve the perfect line of sight when watching movies.

POWER RECLINE

Our german engineered motor drive system is whisper quiet, smooth and offers an unlimited amount of reclining positions all at the simple touch of a button.

HEAT & MASSAGE WAND

HEAT THERAPY

Targeted heat relief along your mid & lower back provides comfort, calmness, and overall body wellness.

MOTORIZED HEADREST

Adjust the headrest for optimal head & neck relief. Achieve the perfect line of sight when watching movies.

POWERED RECLINE

Automatically recline to an unlimited number of positions at the simple touch of a button.

HOME BUTTON

Simply press and hold to initiate and return the recliner to the fully upright position.

MOTORIZED LUMBAR

Adjust the seat cushion to your desired shape along your spine for a premium comfort experience.

MASSAGE ZONES

Four massage zones that can be individually turned on or off for a personalized & targeted massage.
