COLLECTION

# ENJOY THE SHOW

An investment in quality & comfort will increase your profits. Octane VIP seats deliver a first class viewing experience that will thrill your audiences, produce loyal repeat customers, and increase your concession sales.

## FEATURING

Over 30+ styles with full customization.

Incredible comfort for an incredible experience.

Quality standards designed to exceed your expectations.

Seat accessories that enhance the viewing experience.

Comprehensive hands-on assistance from start to finish.

# POWER HEADREST (HR) SERIES

This series features dual independent motors – a power headrest and power recline. Your audience will enjoy supportive relief for any head and neck stress, along with achieving that perfect viewing angle when reclined to their desired position.

**CONTOUR** HR Series

**CURVE** HR Series

**DREAM** HR Series

**FLASH** HR Series

**FLEX** HR Series

**GRAND** HR Series

**MEGA** HR Series

**PILLOW** HR Series

**WAVE** HR Series

“ Fewer seats have actually earned us higher profits. We weren't the first theater to switch over, but we're glad we made the transition. Octane was a great partner helping throughout the entire process.

# POWER LUMBAR & HEADREST (LHR) SERIES

The LHR Series features three independent motors – a power lumbar system, power headrest, and power recline. These models provide pure total body wellness & relaxation by relieving muscle fatigue along the lower lumbar, head and neck areas. VIP seating at its best!

**AZURE** LHR Series

**CONTINENTAL** LHR Series

**STRATA** LHR Series

**ZONE** LHR Series

If you're seeking a truly best in class experience for your guests, then our LHR Series is the ultimate choice. Three high quality independent motor systems will ensure a viewing experience like no other, leaving your audience feeling refreshed, renewed and relaxed.

Octane provides theater and auditorium seating for high profile venues around the globe. Our seats are meticulously designed with the best and most durable components. Best of all, they are very easy to care for and maintain over time.

“ We decided to outfit one of our auditoriums with loveseats as a premium attraction for our guests. Since the first day it’s been a smashing hit with attendance at levels we haven’t seen in a long time.

# SIGNATURE SERIES

This Series offers a large selection of impressively styled full sized, standard and space saving models all designed for a premium viewing experience. Features include taller seat backs and overall body comfort, with custom options and a large selection of seating accessories.

# WE TAKE COMFORT SERIOUSLY

Your guests should always enjoy the best seat in the house. To ensure this, our VIP seats include the following premium components:

- ★ A soothing layer of gel infused memory foam as a seat topper
- ★ Individual pocketed coil springs inside the seat core for unparalleled seat ride and comfort
- ★ Premium high density & resiliency foam for full body support
- ★ Soft and durable fabrics specifically designed for heavy use environments

“ Our concession sales have significantly improved our bottom line. These tables and cupholders hold a lot of items, which have increased our average food order per seat. Our customers feel at home and really want to enjoy themselves.

# ACCESSORIZE YOUR SEATS

Octane ensures your guests are not only comfortable, but surrounded by features that makes them feel at home. Large tray tables, cupholders and service buttons will maximize your concession revenues.

## **STAINLESS STEEL CUPHOLDERS**

Heavy duty large stainless steel cupholders discreetly attached with two screws.

## **FIXED SWIVEL TABLES**

Optional fixed swivel tables in several styles, perfect for all concession items.

## **AISLE PATH LIGHTING**

Soft LED pathway lighting located on the aisle side arms.

## **SERVICE CALL BUTTON**

Custom service call button options available for dine-in theaters.

## **SEAT & ROW IDENTIFIERS**

Identifiers offered in several styles with and without LED lights.

## **LIFT UP ARMS**

Middle flip up arm available for loveseat layouts without sacrificing seat width.

## **USB POWER SWITCH**

Our power switch includes a USB port so guests can charge their electronics.

## **MULTI-CHAIR OPEN CLOSE SYSTEM**

Enables efficient and quick prep & cleaning for multiple chairs at once.

## **LED LIGHTING OPTIONS**

LED lighted cupholders & baserail can be added for a truly unique experience.

## **WOODEN ARM CAP**

An optional wood laminate arm cap can be added to the top of all arms.

# THE OCTANE DIFFERENCE

## AFFORDABILITY

Luxury doesn't have to be above your budget. We offer a fair approach to pricing, provide a quality, durable, and comfortable product, while ensuring your complete satisfaction.

## COMPONENTS

Our seats include soothing gel infused memory foam, individual pocketed coils for incredible comfort, and many other premium components to ensure your guests are comfortable while reclined for hours on end.

## QUALITY

Our frames are constructed using thick kiln-dried plywood and solid steel. Our German motor system is incredibly quiet and smooth. Our recline mechanism is built to last, specifically engineered for heavy traffic venues.

## SELECTION

Select from over 30 models with designs that have been time tested and approved. Each model can be further customized to your exact needs and specifications.

## FEATURES

Your guests can enjoy power headrests, power lumbar support, LED lighting options, USB ports, swivel tray tables, service call buttons, large cupholders, and many other items. The options are endless.

## EASY MAINTENANCE

Our engineers have a clear mission - create functional seats. They're extremely simple to set up, clean, maintain, and service over time. Features include removable upholstery covers, lift up seats for cleaning, and an incredible modular construction.

# VIP CONSTRUCTION

We don't just make ordinary seats, we make Octane seats. Our movie loungers are designed to last and impress. Don't just take our word for it - our methods, systems, and components tell our story.

## MOTORIZED HEADREST

The headrest articulates back and forward using buttons on the power switch to achieve the perfect viewing position.

## MOTORIZED LUMBAR SYSTEM

At the touch of a button, automatically achieve optimal lower lumbar support for muscle relief & overall body wellness.

## GERMAN MOTORS

Best in class motors that are quiet and smooth for the ultimate in power recline.

## ADA ACCESSIBLE SEATS

Our models offer optional lift up end arms that are specifically designed for ADA accessibility.

## UPHOLSTERY OPTIONS

We offer a large selection of color and upholstery options to satisfy your specific design requirements.

## HIGH PERFORMANCE COMFORT

### GEL INFUSED MEMORY FOAM

A soothing layer of cooling gel memory foam ensures the ultimate in comfort and relaxation.

### PREMIUM HIGH DENSITY & RESILIENCY FOAM

To ensure longevity our premium foam will provide incredible durability and overall body comfort.

### INDIVIDUAL POCKETED COILS

Placed inside the seat core, our seats will never lose their shape and provide the ultimate comfort story.

### SOLID STEEL & KILN-DRIED PLYWOOD FRAMES

With a combination of metal and kiln-dried plywood our frames are made to outlast the competition.

### REMOVABLE PADS AND COVERS

Easily replace damaged covers or pads without having to replace the entire chair. Economical and hassle-free.

### EASY MAINTENANCE & INSTALLATION

Our modular construction enables you to set up, maintain, service, and care for the seats with minimal cost and effort.

### SLOPED FLOORS

Our adjustable frames accommodate venues that feature both flat and sloped floors.

# COMPREHENSIVE ASSISTANCE

Our team will provide comprehensive hands-on assistance with the design, planning, manufacturing, installation and after-sales maintenance. Our seats are designed to enhance your profitability, bring in repeat customers, and set you up for success.

## FEATURING

Design and layout services catering to your specifications.

Assistance with planning of your project, from start to finish.

Seats are custom built in a timely manner to your preferences.

Comprehensive installation services to maximize efficiency.

After sales maintenance with a dedicated team for ongoing support.

## COMPREHENSIVE WARRANTY

We take great pride in the way we manufacture each item with our expert craftsmen paying keen attention to every detail. We've backed up the quality of our products with a comprehensive warranty to make you even more comfortable with your decision to purchase Octane Seating products.

*For more information on our Comprehensive Warranty, visit [octaneseating.com](http://octaneseating.com) or speak with an Octane Seating Specialist.*

## EASY TO INSTALL & MAINTAIN

Time is of the essence to clean up and prep between shows. Having a pristine environment is not only expected, but makes a lasting impression with your guests. You need a solution that makes cleaning and maintenance a breeze.

### **FLIP UP SEAT**

Simply lift up the seat cushion for quick and easy cleaning & vacuuming under the chair. No tools necessary.

### **QUICK REPAIRS**

All electrical wiring is located in the arms. Lift up the arm cap by removing two screws, easily accessing and quickly fixing any electrical issues.

### **REMOVABLE COVERS**

Quickly remove upholstery covers or replace padding with our easy Velcro™ system. Your seats will always feel and look their best at a minimal cost.

### **MODULAR CONSTRUCTION**

Our seats are purposely designed so that setup is a breeze. The modular nature of our seats makes installation simple and quick.
