

Seating configurations and dimensions.

Please note that these renderings are designed to provide you with estimated space requirements. Continental Seating products are hand crafted and variations from standard dimensions and appearances can occur.
NOTE: Power mechanisms will raise seat height approximately 2 inches. Power mechanisms DO NOT recline as far back as the standard and wallsaver mechanisms.

**Shown In
Sensation Orange and Black, with Manual
Wallsaver and Stainless Steel Cupholders.**

D: 38.5 Seat: 24
W: 147

This is a sample representation of the most popular seating configurations & dimensions to help you prepare your order. You can arrange seating in any configuration you desire! **SPECIAL NOTE: These configurations shown are for this style of seat WITHOUT motion actuators integrated. In curved or configurations over 68" you CAN NOT integrate actuators. This sheet has been created due to Interior Designer custom color treatment requests WITHOUT motion actuators.**
