# ZERO GRAVITY BENEFITS

In the Zero Gravity position your body's weight is evenly distributed and fully supported. This position neutralizes gravity and allows for healing, repair, and can prevent aging.

#### **MUSCLE RELAXATION**

The weightlessness of zero-gravity allows for complete muscle relaxation, rejuvenation and tissue repair.

#### SPINE DECOMPRESSION

Zero-gravity puts your body in a neutral position, enabling the spine to decompress and release tension.

#### INCREASED BLOOD CIRCULATION

Your heart is aligned with your feet in the zero-gravity position, providing more oxygen to your blood and aids in circulation.

## THE OCTANE SEATING DIFFERENCE

All zero-gravity models offer dual independent motors, wellness benefits and many other features.

#### **MOTORIZED BACKREST**

Our German engineered motor drive system is whisper quiet, smooth and offers an unlimited amount of reclining positions

#### **MOTORIZED FOOTREST**

The footrest is independently controlled allowing for even greater power reclining functionality and wellness benefits.

#### **GEL INFUSED MEMORY FOAM**

Our cooling gel infused memory foam cradles your body, keeping the weight off pressure points all while keeping you consistently comfortable.

### **REDUCES PAIN**

With the strain of gravity reduced, your back and neck will reset providing relief from pain and tension.

## HEART FRIENDLY

The zero-gravity position reduces pressure off the heart, allowing for increased blood flow throughout the body.

## **DESIGNED BY NASA**

The zero-gravity position suspends your body in a neutral position, causing deep relaxation and healing on a physical and mental level.

## ACCESSORY DOCKS

Our exclusive accessory dock enables you to add a whole collection of lifestyle accessories which will elevate your seating experience.
